2. Once you login, you will see your Home page with your name and upcoming shifts.

3. Click on **Opportunities** tab, then appropriate filters (Activities with openings, Organization should be Terra Linda). Note that I have checked “Group by Category” and “Collapse Categories by default.” This makes the list shorter, but you will need to click through on the categories to see the options. Click “Filter Activities” Button to get a new list. Check the box next to **Make these my default filters**, to default to these filters for future logins.
