Open to all students in grades K to 8, this innovative series of classes is designed to not only introduce your child to basic martial arts but also to improve focus, confidence, discipline and respect. It will benefit your child at home, at school and in team sports. #### US World Class Taekwondo

It is our belief that community service is an integral part of developing respect, self control and indomitable spirit; key components in the growth of every martial artist. As part of our commitment we have donated services to Bethany Elementary, CLASS Academy, Jacob Wismer, Findley, Springville, Terra Linda PTC. **These classes teach basic white belt curriculum while emphasizing focus, discipline, respect and confidence.**

They provide a chance for students to try Martial Arts who may not normally have the opportunity, and 100% of the registration fees are donated directly back to YOUR SCHOOL PTC. Our goal is to provide community service projects that involve all of our students.
