

Terra Linda PTC Science Fair at STEAM Night April 12, 2019

General Information/Rules:

- All Terra Linda students (grades K-5) are encouraged to enter a project. One student, a group of students, or a whole class can do a project.
- To make participation possible for all, the PTC provides one project board per student.
- Project size is limited to a single project board. Project boards will be delivered to classrooms on date noted below.
- Please keep it safe and practical—No hazardous materials, no harm to animals or people.
- **At STEAM Night you may NOT display any physical items used in your project.** Use diagrams, graphs, and photographs instead.
- Please attach all presentation materials to the project board.
- Email Jennifer Collett at jenn.collett@gmail.com with any questions.

Important Dates:

- March 15: All entry forms due
- March 21: Take blank project board home
- April 12: 8:10 - 8:30 am: Set up projects in Terra Linda Gym
- April 12: 6 - 8 pm: STEAM Night including the Science Fair and Art Blast - evening events for families.
 - Come appreciate student projects
 - Watch live demonstrations by OMSI
 - Visit different hands-on inquiry stations in the disciplines of Science, Technology, Engineering, Art, and Math
- April 12: 8 pm: **Projects must be taken home immediately after STEAM Night.**

Terra Linda Science Fair Entry Form

Turn in this completed and signed form to the office by March 15.

Please complete one form for each poster. For group posters, list all students on the same form.
