#### **Christy Batsell, Principal –**

- **Anti-Bias/Anti-Racist Work –**

- In looking at the Anti-Bias/Anti-Racist work the district and Terra Linda have been doing and looking at practices through the equity lens it has become apparent that how we celebrate and have classroom parties needs to change. Christy shared that every year she has students who have to sit in her office during classroom parties due to religious and/or cultural beliefs that exclude them from parties, such as Halloween.
- This year students had some curriculum celebrations.
- Whatever we do to celebrate needs to include every student
- On a PTC level the desire would be to fund fun things for students outside of “what has always been done.”
- Christy is hosting a Principal’s Chat on April 1<sup>st</sup> at 6:30, everyone is welcome.
- Terri Hammond School Social Worker will be a guest speaker at our April meeting. She will share how to talk about how families can support students through transition and change.
